

COVID “vaccine” genocide a long-planned, carefully orchestrated depopulation operation to exterminate human beings

The latest data covering excess deaths from Wuhan coronavirus (COVID-19) "vaccines" shows that the shots were schemed and developed a long time ago specifically to depopulate the world – and especially the *white* world.

Subscribe

A whistleblower from the Ministry of Health in New Zealand, who was later fired for doing this, extracted and leaked data from his country showing that excess deaths have spiked at every interval when another COVID jab or "booster" was unleashed.

These excess deaths were not just random, though. Based on the hard data, which we are told is unaltered and in its original form, the shots were carefully and premeditatively designed and spread to injure and murder millions of people.

With each new jab that gets released, it becomes clearer based on the data that the shots were designed to target specific genetics, mainly those of historically white Christian nations with European ancestry.

According to *State of the Nation*, there were three primary goals associated with Operation Warp Speed:

- 1) Extermination of white people
- 2) Depopulation of historically Christian nations
- 3) Genocide of all patriots in every country, especially those with European bloodlines

Five Eyes nations primary COVID jab targets

Five countries in particular – Australia, Canada, New Zealand, the United Kingdom, and the United States – were the primary nations to be targeted with COVID injections, as well as all the tyranny that preceded and accompanied it.

The whole world suffered under some degree of COVID tyranny except for, perhaps, Sweden, but these "Five Eyes" member nations were the most aggressively targeted by the globalists who unleashed COVID to target their enemies.

Five Eyes, by the way, is an intelligence alliance comprising the five aforementioned countries. All five nations are bound to a multilateral UKUSA Agreement, a treaty for

joint cooperation in signals intelligence.

"Each of these English-speaking countries has been subjugated by the *New World Order* globalist cabal faster than you can say THE GREAT SCAMDEMIC," *State of the Nation* reported back in 2021, also noting that many other European countries were hit hard by COVID tyranny.

It turns out that the government administrator in New Zealand who leaked the incriminating data currently making the rounds of independent and social media has been arrested by authorities for "misuse" of his position in spreading "misinformation."

The man is featured in the video below which offers a powerful testimony as to the data's credibility, what it means, and how it was compiled. This is a must-watch video so have a look:

M.O.A.R (Mother Of All Revelations)

"The vax wasn't created for COVID," one commenter wrote about all this. "COVID was created for the vax."

"COVID was a psy-op," responded another. "There was nothing other than the seasonal flu."

"It was a psy-op to get everyone to run to their nearest pharmacy to get the jab," said someone else, noting that since the COVID "virus" has never been isolated, it has thus never technically been proven to exist. "No one died from or with COVID because COVID doesn't exist."

"There is no SARS-CoV-2 'virus' because there are NO 'viruses.' Therefore, there was no lab leak. You can't make something more virulent when that something never existed in the first place. Those earlier deaths were from the flu (which is actually the body detoxing) that was relabeled 'COVID,' placing people needlessly on ventilators, giving, especially the elderly, Remdesivir, and relabeling all deaths (cancer, car crash, heart attacks etc.) as COVID deaths."

When all is said and done, will anyone who took the COVID jabs still be alive in the coming years?
